

# Oil Free Air Compressors

*ultra low noise*

- Ultra Quiet running, from just 53 dB(A)
- 100% Oil Free Design
- Efficient, Horizontal Twin pump unit
- Outlet Pressure Regulator fitted as standard
- Innovative Compact Design, perfect for limited space

This ground-breaking range is ideal for those applications where low maintenance and ultra quiet, oil free air is essential; scientific instruments, door controls, autoclave locks, stapling, picture framing and as a portable and rugged air supply for many diverse requirements. Available with 2 pole motor option delivering higher output with only a marginal increase in noise level – these models denoted P.
